

# WHAT'S HOT! | NEW PRODUCTS

## A kick of flavor

Company Name: TW Garner Food Company  
 Company Location: Winston-Salem, North Carolina  
 Description: TW Garner Food Company introduces its new Texas Pete Fiery Sweet wing sauce. This product adds heat to the rich sweetness of molasses and honey to provide a tasty alternative to standard wing sauce. In addition, the new Texas Pete chipotle hot Sauce is made with a traditional method of smoke drying red jalapeno peppers that give it the balance of heat, earthiness and complex flavour to give recipes a kick without overwhelming other flavours

## All-natural tonic water

Company Name: Q Tonic, GoPicnic  
 Company Location: Chicago, Illinois  
 Description: Q Tonic introduces its all natural, delicious tonic water. Hand-picked quinine from the Peruvian Andes, it contains organic agave as a sweetener, no high fructose corn syrup, contains 60 percent fewer calories than regular tonic water and 85 percent lower glycemic rating than competitors. Q Tonic also offers all natural ginger ale.

## Yoga Therapy for Frequent Flyers

Company Name: Yoga Tune Up  
 Company Location: Studio City, California  
 Description: Yoga Tune Up offers frequent flyers the Yoga Tune Up Therapy Balls, to release stress and tension while flying. Therapy Balls are available for flight attendants, flyers and pilots and exercises can be done while seated. The Upper Body series targets neck and upper back pain, the Lower Body series focuses on lower back, hips and feet, and Total Body series features exercises for all main muscle groups.

## Spill proof drinkware

Company Name: Nautspill Drinkware  
 Company Location: Spit Junction, Australia  
 Description: Nautspill Drinkware provides a stylish solution for drink spillage due to turbulence or hazardous conditions during flights. The line of drinkware has a support on the glass base to prevent tipping and a baffle insert to avoid spillage from knocks, movements and bumps. Available in a wine glass, champagne flute, tumbler and hot drink cup, the drinkware is made from polycarbonate and melamine and is dishwasher safe.

## A chocolatey treat

Company Name: Cadbury/Kraft Foods  
 Company Location: Geneva, Switzerland  
 Description: The Cadbury Luxury Selection is a delicious treat offering currently only available in travel retail channels. Available in milk and dark pralines with hazelnut or almond cream, they are individually wrapped and come in 190 gram (17 chocolates) or 510 gram (45 chocolates) boxes. They are ideal as an affordable gift and a great product for in-flight sales.

## Delicious meaty snack

Company Name: Vermont Smoke & Cure, GoPicnic  
 Company Location: Chicago, Illinois  
 Description: Vermont Smoke & Cure, brought to the travel catering industry by GoPicnic, offers high-quality tasty meat snacks for passengers. The all-natural beef and pork sticks are offered in BBQ flavour and Cracked Pepper (100 percent beef) and contain no preservatives. They are antibiotic-free and shelf-stable and great for a la carte programs. The meaty snacks are available in full size or mini 0.5 ounce stick for snack boxes or first class snack programs.

## All-natural ice cream

Company Name: Purbeck Ice Cream  
 Company Location: Dorset  
 Description: Purbeck Ice Cream presents new flavors for 2011 such as tiramisu, banoffee ripple (a delicious combination of banana ice cream and toffee) and joe's cider sorbet. All Purbeck ice cream products are produced on the Dorset farm with local fresh milk, thick double cream and natural ingredients. The ice cream is gluten-free, nut-free and doesn't contain eggs.
